### Construction Rules

**All construction or renovation work planned within Meyerland must adhere to the corresponding Deed Restrictions and MCIA Policies for the Section in which the property is located, as well as the construction rules set out below, unless said rules conflict with appropriate deed restrictions and/or MCIA policies, in which case deed restrictions and MCIA policies shall take precedence.**

***No work may commence prior to receiving approval by the appropriate review committee.***

1. Chain link construction fence with solid color screening is required during any major construction.
  - a. Fences must be locked if workers are not present.
  - b. Fences, including gates, should open inward – towards the home – to not block the public walkway.
  - c. Appropriate demolition barriers must be installed within the 48 hour period prior to commencement of work and must be removed 72 hours after demolition is complete. For more information about appropriate demolition barriers, please contact the office.
2. Port-a-toilets must be placed with door facing the rear of the property, not facing the street. They must also be fenced separately on three sides obscuring their view from the street if not behind a screened construction fence as described above.
3. Dumpsters must be placed on property – not in the street. Site is to be kept free of trash, debris and excess equipment. In lieu of a dumpster, refuse containment is required and monthly removal, at minimum, must occur.
4. All new construction requires the installation of a new sidewalk and driveway.
  - a. Corner lots are required to install ramps as required by City ordinance.
5. Street and sidewalk must remain free of dirt, mud, and debris.
6. Construction and work hours is as follows:
  - a. Monday through Friday: Work may begin no earlier than 7:00 A.M. and cease no later than 8:00 P.M.
  - b. On weekends, work may begin no earlier than 9:00 A.M. and cease no later than 9:00 P.M.
7. Owner/Builder is required to follow all City of Houston and other governmental ordinances in the process of construction.
8. The entire lot, including the area between the sidewalk and the street must be maintained. This includes mowing, edging, weed eating, and the removal of shrub and tree debris. Lots are expected to remain neat and attractive – even during construction.
9. Only one (1) sign is permitted on the lot for the builder and contractor. Additionally, only one (1) realtor, for sale, or for lease sign is allowed per property.
