

# Meyerland<sup>TM</sup> CONNECTION

March 2023 | Issue 2023-03

## March Board Meeting

The March Board meeting is scheduled for **March 9, 2023** at **7:00 pm** via Zoom.

[Click here to register to attend.](#)

*Board members receive a separate invitation to join as a panelist.*

## Heavy Trash - Tree Waste Wednesday, March 8

“Tree Waste” is defined as “clean” wood waste such as tree limbs, branches, and stumps. Lumber, furniture, and treated wood will **NOT** be accepted. Waste can be placed curbside as early as **Saturday, March 4.**

## February Traffic & Security Report

Meyerland continues to be a very safe place to live and our Constable program is a big part of our safety program. Read the recent safety reports [here.](#)

## It Feels Like Spring in Houston!

With the impending arrival of Spring, we thought it would be appropriate to send some "Spring cleaning" reminders in this month's *Meyerland Connection*.

Spring is the time for renewal and growth. It is also the time when our lovely **live oaks drop their leaves** (and the pollen season begins! Achoo!).

Please remember to **bag these leaves** and don't just blow them into the street.

Leaves (and other debris) can clog our important stormwater sewer system. Please help keep our drains clean and clear to prevent street flooding.

## Featured News

## Yard Maintenance

With Spring comes weeds! Please remember to maintain your lawn and keep the growth under control. Please also sweep your sidewalks and street to allow for pedestrians to walk through our beautiful neighborhood!

## Trash & Recycle Bins

Please remember that our Deed Restrictions state that all trash and recycling containers **must be removed from view from the street** by the time set out in the City of Houston Code of Ordinances or similar regulation, but in no circumstance later than **8:00 a.m. on the day immediately after trash pickup day.**

Thank you for your cooperation!

## Composting

Composting is a great way to convert your food waste into reusable material that helps our soil and improves our water quality.

You can create your own compost pile, or there are [services](#) that will pick up your food waste and will bring you back the compost. The more Meyerland residents join this service, the lower the cost for all!

## Bellaire Examiner Delivery

Every Wednesday, the *Houston Chronicle* tosses the *Bellaire Examiner* on most of our driveways. Some of us read the articles and the fliers, but others leave it on their driveway where it can eventually clog our stormwater drains.

Did you know that you can opt out of receiving this publication? Click the "Opt Out" button to the right and we'll submit your request to stop receiving this publication for you!

## Be Green: City Of Houston Recycling Reminders

Please remember that **trash bags** and **plastic bags** should not be placed in the City's green recycling bins.

Simply dump the recyclables into the bin without the bag.

Click [here](#) for more information on what can and cannot be placed in our City of Houston recycling bins.

**MEYERLAND**  
Performing & Visual Arts  
Middle School

**Meyerland Performing and Visual Arts Middle School** (formerly Johnston Middle School) is holding a fundraiser for their **Physical Education Department**. If you wish to contribute, click [here](#) and donate no later than **March 10**.
